Licensee hereby expressly waives and relinquishes any right which it may have to seek to characterize the above-noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of the District's actual damages at the time of contracting if Licensee or any of Licensee's invitees or guests fails to comply with any applicable laws or any of the District's rules and regulations.

Any waiver of any specific breach shall be effective only if given expressly in writing by the party waiving such specific breach.
12. Severability/Survival. In the event any provision, or any part or portion of any provision of this Agreement shall be deemed or defined by any law or order any court or any governmental agency, or regulatory body having jurisdiction over either party, or held or declared by a court of competent jurisdiction to be unlawful, invalid, void or otherwise unenforceable, the rights and obligations of the parties shall be reduced or abated only to the extent required to remove or cure such illegal or unenforceable portion.
