#### 6. Regular Agenda

##### Ryan Maas — Treasurer Matters

Treasurer-**Trustee Maas**: Informed the board of audit progress. **Trustee Jaap** questioned **Trustee Maas** about the date that the CRD loan would be paid off. **Trustee Maas** commented that he does not know the exact date at the moment and would get back to the board on the exact date.

**Mark Snellgrove — President's Agenda**

President-Trustee **Snellgrove** informed the Board that an email had been sent to him from Jared Mills and Josh Cooper regarding the north wall at WSB and increasing its height. Casey Horner from Exterior Escapes provided a proposal whereby the height would be adjusted to approximately 84"; quoting \$12,388.00 for the improvement (not including painting of wall).

- Josh Cooper (11707 Vera Avenue), the Neighboring resident on north side of wall, spoke to the board about seeing if the wall could be increased in height to either 5'6" or 6'6". He voiced concerns about WSB patrons coming over the wall, and day to day privacy.
- Casey Horner informed the board that if the wall height is increased, cracking will eventually occur at the points between the existing wall and new blocks. Expansion joints could help reduce the cracking, however the joints would not be uniform and it may be unattractive. Over the long term, caulking and painting the points where the additional block was added would likely be less of an eyesore compared to the expansion joints.
- **Trustee Jaap** asked if there would be a need for a permit for any particular height. The Trustee also asked Mr. Cooper if he would share the cost of the improvement, and if he and his guests would respect the property line and refrain from using WSB when not permitted. Mr. Cooper replied that he would, and would also expect the same from the patrons at WSB not to jump over the wall or access his dock. Mr. Cooper did point out that he has friends that live in OC and does frequent WSB as a guest with his friends.
- **Trustee Shidler** asked Mr. Cooper if he was aware who removed the chain link fence that continued from the existing wall into the Lake Carroll shoreline between WSB and the adjoining property. **The Trustee** also voiced a concern that nonresidents may have been bringing glass bottles onto WSB, which is prohibited but more challenging to address if it occurs by way of a non-resident. Mr. Cooper informed the board that he had removed it and replaced it with a wood fence similar in height which goes into the shoreline equal to the prior fence.
- **Trustee Rasemont** pointed out that the bid (for increasing the wall height) does not include painting so further bids would be helpful, especially if priced with painting.
- **Trustee Snellgrove** asked Mr. Cooper what he proposes. Mr. Cooper would like additional quotes would like the board to pay for the wall improvements. Trustee Snellgrove informed Mr. Cooper that the board would not be able to vote on the proposal and that further bids would be needed.
- **Trustee Snellgrove** shared the proposals for resurfacing the tennis courts, and for repairing the lights. **The Trustee** explained that the 7/2017 motion was contingent on 4 courts being resurfaced and could not be awarded. There needs to be a new electrical line from the road to the courts-which LDH Electrical was previously approved by the board. However, any repairs to the lighting would need to be done prior to any resurfacing because a lift would need to travel across the courts to access the light fixtures.
- **Trustee Rasemont** suggested the board members take a look at the courts and the current conditions, lighting included.

## Carrollwood Recreation District Board Meeting Minutes

- All board members present made a site visit to the tennis courts. There just so happened to be an adult couple playing on 1 of the 4 courts (the #2 court that has the most visible cracking). **Trustee Maas** asked the couple what made them choose this particular court to play on tonight? The couple responded that it had the best lighting and pointed out that a few bulbs on Courts 3 and 4 were out.
- The overall consensus among the board members was that the tennis facility, courts and lighting seemed to be in relatively good shape; taking into consideration the cracking of the court where the residents were playing.
- **Trustee Maas** was asked by Trustees **O'Donnell** and **Carelli** if the budget could even support the costs in the proposals. **Trustee Maas** commented that the costs seemed excessive compared to the current state of the tennis courts; the current lighting is adequate for recreational tennis and only one court has substantial amount of cracking. If lighting repairs were needed, the lighting posts are all accessible without having to drive heavy equipment onto the courts.
- **Trustee Siddall** suggested that we get new bids on patching the cracks in Court #2-as one of the proposals discussed acrylic patches.
- **Trustee Snellgrove** was receptive of the board feedback and will obtain bids that focus on patching the cracks in the courts that need it the most.
- **Trustee Snellgrove** reminded the board members about purchase procedures.
- No vote took place on Lake Carroll Way irrigation timers.

### Vice President Mickey Jaap — Tennis & Recreation Center Chair

- VP- **Trustee Jaap** presented the board with an update of the year-end Financial/Low Cash Projection and the recommended reserves. As of 10/2017, the projected reserves appear to be in line with the recommendations; the historical low cash projection as of 10/11/2017 is \$312,292.00.

### Michael Carelli — Original Carrollwood Park

- **Trustee Carelli** informed the board that Woofstock went well. Instead of collecting a \$500.00 security deposit from the organizer, Trustee settled on \$250.00-however the golf cart was not permitted to be used as a result of the lower deposit.
- **Trustee Carelli** s/w the coaches of the 2 softball teams currently leasing OCP. They are still interested in installing a batting cage on the west side of the park by the softball field. One of the coaches is a contractor and is willing to purchase the materials at his costs and install the galvanized posts to support the cage along with special netting specifically for batting cages. The cost would be \$3500, which 1/3 will be paid by each softball team, and the remaining 1/3 would be paid by the CRD. Trustee will speak with coaches and allow them to move forward with installation of the batting cage.
- *Rafael Jimenez with Camp Gladiator*

## Carrollwood Recreation District Board Meeting Minutes

- **Trustee Snellgrove** commented that there could be issues with liability and risk exposure coupled with the fact that Mr. Jimenez does not reside in the OC neighborhood and would like the for-profit company to use our grounds.
- **Trustee Jaap** informed Mr. Jimenez that we charge fees for use of the grounds and parks and since Camp Gladiator is a for profit, the CRD would need to charge a fee, rather than allowing use to a non-resident/company for free of charge.
- **Trustee Rasemont** questioned what the difference would be if she were to use the park or other feature of OC with a paid trainer; would this be any different? What about if it was a group of OC residents?
- **Trustee Siddall** pointed out and questioned the board what the difference is with Camp Gladiator versus the tennis court used by residents whom bring in a coach and other guests to play and train on the OC tennis courts?
- The Board informed Mr. Jimenez that the parking lot may not be the best use, however we could consider this being viable at OCP. Mr. Jimenez understood and found no issue with conducting the fitness program at the park (on grass) versus the Rec Center parking lot.
- **Trustee Maas** asked Mr. Jimenez if Camp Gladiator would pay the CRD to use OC property to conduct its fitness program to the public.
- *Mr. Jimenez* responded that Camp Gladiator would and does pay when required (for example, Citrus Park Mall is charging the program \$200/month with M-F usage allowed; Fresh Market is allowing its parking lot to be used in the early morning hours). He explained that all he is looking for right now is the opportunity to do a “pre-view” of the market place and determine if there is any need. The earliest start time would be 9:00 AM and it would begin on ~1/8/2018. If there is enough interest, Camp Gladiator would be willing to pay \$50/hour for OCP park usage.
- **Trustee Carelli** asked that Mr. Jimenez follow up at the next CRD meeting on December 11, 2017 and bring proof of insurance, understand that a contract would need to be signed for trial/pre-view period.

**Kevin Shidler — White Sands Beach Chair:** lake results are favorable/low.

**David O'Donnell — Scotty Cooper Park Chair:** no new business; park painting has been completed.

**Paul Siddall — Grounds Chair :** no new business

**Jessica Rasemont — Community Development:**

- Received an email for OC resident concerning the condition and safety of the volleyball court at WSB (lots of tree droppings, debris in sand, upkeep). Resident mentioned that if one was going to make a strategic “dive” for the ball, there is the potential for injury if one was to hit the neighbored wall adjacent to the volleyball court. Resident had suggested possible relocation of the volleyball court to OCP.
- **Trustee Rasemont** will obtain proposals for a Volleyball Court at OCP.

**Community liaison. None present.**

Meeting adjourned at 8:35 PM. **Trustee Jaap** made motion and **Trustee Shidler** seconded the motion. All members in favor.

**3. Determination of Quorum** — requiring a minimum of 6 CRD members. Yes.

**4. Public Comment**

- **Resident Tracy Gordon** — Heard that the CRD is thinking about installing a batting cage. Her sons were not allowed to play ball in the park in years past because of an insurance issue with IDS. But she had questions about what the CRD has spent on the field. These included:
  1. What did the softball field cost OC residents?
  2. What is the cost of the ongoing maintenance to the residents?
  3. If we move from a team practice to a team game to a team tournament will we have to deal with IDS?
  4. Who maintains the softball field?
  5. How does this add value to our neighborhood?
  6. My son plays baseball and I’d like him to use the field. I understand there is a \$50.00 charge for using the park. I want to know the dimensions, because my son plays baseball not softball, I don’t want a field that discriminates against boys.
  7. Considering the bylaws, what are you allowed to expense without a public referendum?
- **Resident & District Employee, Shelley Stewart** — (In regard to Woofstock) I will be at the facility all day to watch the park.

## Carrollwood Recreation District Board Meeting Minutes

- **Amy (from Woofstock)** said that she would print a parking slip that vendors can put on the dashboards of their vehicles.
- **Resident Suzy Giunta** — I heard that more lights were going to be installed at OCP and I wanted to know the expense of the lights and of the proposed batting cages.
- **Resident Janet Daggs** — I'm concerned about what's going on at OCP. I think there was discussion of a parking area at OCP, but have not heard anything about the parking. Now I hear about other things going on in the park and I'm concerned.
- **Resident Suzy Giunta** — It would be a good idea to print exactly what the expenditures are for adds on like lights and softball fields etc.
  
- **No other comments were made**
- Public Comment Closed 6:44 p.m.
  
- **5. Approve Consent Agenda**

## 6. Regular Agenda

### Ryan Maas — Treasurer Matters

- End of Fiscal Year – Review of 2016-2017 Financials: Our expected revenue is \$590,000. In most areas, we came in under budget, though a little over in community development. Expenses remained below revenue. Next year may be different, especially with expenses at WSB and hurricane damage.
- We have a lease payment do to the CCA in October.
- Our Annual Audit is in progress. It is published to the website upon completion.

### Mark Snellgrove — President's Agenda

- **The September CRD regular monthly meeting was cancelled** due to Hurricane Irma. We had no power at the rec center
- **Report on Hurricane Irma damage:** There was damage at White Sands Beach, on a Samara Drive Island, and to the Tennis Courts. Trees at the residence that abuts the wall at WSB fell and damaged the wall. It became a public safety issue so we removed them. Trees also fell on the tennis courts. We had them removed.

## Carrollwood Recreation District Board Meeting Minutes

- **Question from the audience:** Did any trees fall and knock out the power? **Trustee Jaap**, said yes on Nakora.

- Vote to Award Wall Repair Contracts for White Sands Beach
  - GD Burger's bid: \$7,880
  - Exterior Escapes bid: \$6,000
- **Trustee Snellgrove** said we should go with the lowest bid. However, **Trustee O'Donnell** reminded the Board that we have already contracted a group to paint the wall. **Trustee Snellgrove** said that we can subtract the painting part from the estimate (\$1,400 for the painting).
- Motion from **Trustee Jaap** to: award the contract to Exterior Escapes for a total of \$4,600 to replace an 18-foot section of wall at WSB and stucco 450 sq. ft of wall.

**Trustee Rasemont** asked if the 450 sq. ft. wall was the whole wall or just the 18 foot section. The Board responded that it was just the "repaired" section. **Trustee O'Donnell**, walked the wall and asked: Where does The CRD wall end and the RESIDENT'S wall begin. We may end up in a position that a resident will ask why we didn't do the whole wall. **Trustee Snellgrove** said that as a courtesy, we would contact the resident.

- Seconded by **Trustee Rasemont**
- Vote: 8 in favor, 0 against
- Motion from **Trustee Jaap** to: award the contract to Exterior Escapes to repair the stucco wall at White Sands Beach for \$8,530.00
- Seconded by **Trustee Rasemont**
- Vote: 7 in favor, 1 against
- **Trustee Rasemont:** The cost for the stucco does not sit well with me. \$3,250 for painting is too high. **Trustee Snellgrove** stated that Exterior Escapes is a contractor and has all the proper insurances and paper work. **Trustee Shidler** said: We hired Exterior Escapes to work repair the sidewalk at the WSB and they were 40% cheaper.
- Vote to Award Annual Aquatic Plant Control Contract: **Trustee Snellgrove** solicited four bids. Two contractors responded. Horner came in at \$410 / month. Horner is our existing vendor. Aqua-Terra came in at \$400. **Trustee Jaap** said: Horner is a trusted company that we have not had problems with. I don't think we should change for \$10 / month.
- Motion from **Trustee Costa** to: award the contract for aquatic management \$5,320.00 to Horner Environmental.
- Seconded by **Trustee Jaap**
- Vote: 8 in favor, 0 against

## Carrollwood Recreation District Board Meeting Minutes

- Vote to Award A/C Replacement Contract: **Trustee Jaap:** We had York units and they were not good. The York units went bad about four or five years ago. **Trustee Snellgrove** solicited four bids only one responded that met the specifications.
- Motion from **Trustee Jaap** to: award the ac replacement contract to Seminole Air Conditioning for \$12,856.00
- Seconded by **Trustee Rasemont**
- Vote: 8 in favor, 0 against
- Swim Permit –WSB: **Trustee Snellgrove** said that Resident Rich Larcomb tests the lake water at WSB for the neighborhood. **Trustee Rasemont** asked: what is a safe range? **Trustee Jaap:** said that they would like to see under 60 cb to 80 cb. The count was at 120 cb. **Trustee Snellgrove** said if we have a high count we put up a swim advisory.
- Vote to Award Lights Contract
- Motion from **Trustee Jaap** to: award the contract for neighborhood holiday lighting to Tampa Lights for \$2,385.00
- Seconded by **Trustee Rasemont**
- Vote: 8 in favor, 0 against

### Vice President Mickey Jaap — Tennis & Recreation Center Chair

- **Trustee Jaap:** No new business.

### Michael Carelli — Original Carrollwood Park

- **Tracy Gordon:** What did the softball field cost OC residents?  
**TRUSTEE CARELLI RESPONSE:** The initial cost to OC residents was \$25,000.00.
- **Tracy Gordon:** What is the cost of the ongoing maintenance to the residents?  
**TRUSTEE CARELLI RESPONSE:** The maintenance cost to the neighborhood is approximately \$1,500 / year. But, we collect \$10,400 per year from the two teams that have leased the field (to be used for softball practice.)
- **Tracy Gordon:** If we move from a team practice to a team game to a team tournament will we have to deal with IDS?  
**TRUSTEE CARELLI RESPONSE:** We do not have any dealings with IDS and that issue took place about 15 years ago.
- **Tracy Gordon:** Who maintains the softball field?  
**TRUSTEE CARELLI RESPONSE:** The coaches maintain the softball field. The CRD maintains the park.

## Carrollwood Recreation District Board Meeting Minutes

- **Tracy Gordon:** What is the cost of the lights?  
**TRUSTEE CARELLI RESPONSE:** The lights are LED and do not draw much power. They are also on timers, so they shut off at night. Practice is M T W T 6-8 p.m. So the lights are on 2.5 hours. One night the lights did not go off, so I was called to turn them off. The timer had broken and the contractor fixed it at no expense. **Trustee Jaap added:** Utility costs before the ballfield and lights was \$19,800. Now it is a little over \$20,000. So thus far, the cost has been minimal.
- **Tracy Gordon:** How does this add value to our neighborhood? How does this help the residents? We should not pay for a ballpark that residents don't get to use.  
**TRUSTEE CARELLI RESPONSE:** This is a difficult question to answer, besides it adding value to residents, like having tennis courts, parks for kids to play in or facilities at WSB. **Trustee O'Donnell** added that he is a huge baseball fan and initially was against the ball field. But the field is paying for itself. As for the residents using it, it is like any other facility in the neighborhood. You can reserve the park and use it. **Trustee Carelli** added, that he would like to start a reservation system so that residents can use the softball field and the batting cages.
- **Tracy Gordon:** So I can't use the ball field unless I reserve the park and pay. My son plays baseball. I'd like him to use the field. I understand there is a \$50.00 charge for using the park. I also want to know the dimensions, because my son plays baseball not softball I don't want a field that discriminates against boys.
- **TRUSTEE CARELLI RESPONSE:** Anyone can walk on the field and use it. The reservation sheet is for parties or organized events. **Trustee O'Donnell** added that the reservation ensures that you will get the field. The \$50 deposit is refundable.
- **Tracy Gordon:** Instead of spending money on a ball field, would it not be better to pay down our debt?
- **TRUSTEE JAAP RESPONSE:** If we save our revenue it would make approximately 1/5<sup>th</sup> of 1% while the field provides us a 40% rate of return. Ask any financial adviser and they will agree with me. **Trustee Shidler:** We have a group who has paid for a ball field. It is one of the few things we have done that we get to keep and it has been paid for by an outside party. **Trustee Carelli:** And the park looks much better than it did one year ago.
- **Tracy Gordon:** Considering the bylaws, what are you allowed to expense without a public referendum?  
**TRUSTEE JAAP RESPONDED:** If it is a budgeted expense, Trustees are able to spend up to \$2,000 without board approval. Between \$2,000 and \$4,000 it would require board approval. Over \$4,000 we would have to solicit three competitive bids.

## Carrollwood Recreation District Board Meeting Minutes

- **Tracy Gordon:** How much can you spend without a public referendum?
- **TRUSTEE JAAP RESPONSE:** All of our budget, upwards of \$600,000.
  
- **Tracy Gordon:** Who is going to pay for the batting cages? And how much will they cost?
- **TRUSTEE CARELLI RESPONSE:** The coaches have asked about batting cages. The cost would be \$2,700 dollars and the teams would pay for it. Though I may offer to pay for 1/3 of the cost.
- **Tracy Gordon** responded: you can't get it done for \$2,700. **Trustee Carelli** said that one of the coaches is a contractor and can do the work at cost.
  
- **Tracy Gordon:** I don't appreciate (**Trustee Jaap's**) the comment about going to talk to my financial adviser. An expense is an expense. **Trustee Jaap:** What I meant to say is, if you take the facts and ask to a financial adviser for a second opinion, I believe they would agree with me. That's what I was trying to say, I did not mean to insult you and I apologize if I did. **Trustee O'Donnell:** We must operate with all 925 resident households in mind. Everyone has equal rights to the parks.
  
- **Tracy Gordon:** My biggest concern is, are we doing the best thing for the neighborhood. If you tell me that only one other person "resident" uses the ballfield, then you can't say that it benefits the neighborhood.
- **TRUSTEE O'DONNELL RESPONSE:** We have a big beautiful field that does not generate any income, only cost. But the softball field is an asset for the community, and also brings in money. **Trustee Carelli:** added, that the teams pay \$10,400 per year. When I proposed this to the Board, my daughter played on one of the teams. I knew my daughter would quickly age out and she would not be on the team, but the neighborhood would still have the field with the majority of the cost recovered. **Trustee Jaap** added: If in two years, we cannot find a tenant for the field, then we have to fields with very little expenditure. And to respond to your question about paying down our debt. When we restructured our debt, we extended the loan for just four months, and now have an additional \$3,600 per month more to spend on the neighborhood. **Trustee Shidler** added, money was spent on Duck Island. I don't ever see Duck Island. But it's part of our neighborhood and it's an improvement. I've heard someone say, they've seen people playing Frisbee and soccer. We have a park that's now becoming a park.
  
- **Resident Janet Daggs** — People should know what the agenda is before the meetings take place.
- **Trustee Rasemont:** I'm in charge of Community Development and I'd be happy to write an article for the Caroler detailing any large expenditures and proposed changes in the neighborhood.

## Carrollwood Recreation District Board Meeting Minutes

- **New Visitor** — There is a D School in our neighborhood and I've been in touch with the president of Chamberlain and the School Board about this. I also emailed the president of the board but got no response. **Trustee Snellgrove:** You may have sent it to the other board, the CCA board. The visitor exited and went to the CCA meeting.
- **Trustee Snellgrove:** Each home in Original Carrollwood is levied a tax of \$600 annually. In 2022, we will likely have upwards of \$250,000 additional funds to spend on the neighborhood each year, as a result of the loan being paid off.
- **Trustee Snellgrove:** Janet, we have discussed the parking lot at OCP but a number of residents do not want the additional traffic.
- **Janet Daggs:** Where do the softball players park? **Trustee Costa** responded, they park in front of the rec center and there are only about eight or nine cars.
- **Trustee Shidler:** We spent money lighting WSB and it has helped deter vandalism. I live on Phoenix Circle. If we have a parking area at OCP I think it will attract more cars at the park and more problems.
- **Trustee Snellgrove:** We had about 30 soccer parents visit us and ask for soccer goals. We installed them. So yes, the park is being used. We have a lot of business people on the board and we look at things different than previous boards.
- **Trustee Carelli:**
  - Update on Ants: No Update.
  - Update on hand dryers installed at the Rec Center. The Trustee priced three different units. We went with less expensive dryers. Chuck Kim installed.
  - Woofstock Contract Update: **The Trustee** used the agreement that **Trustee Costa** previously used and had it updated. One of the vendors wanted to sell alcohol. The contract is being reviewed. **Trustee Carelli** asked if we should charge a security deposit. The Board agreed that a \$500 refundable security deposit is reasonable.
  - Tree Trimming at OCP – Chuck Kim trimmed some trees in the park.
  - Batting Cage Proposal — The coaches ask if they could install a batting cage if they pay for it. **Trustee Carelli** would get specifics from the coaches including sketches. The cost to them would be \$2,700. **The Trustee** did not know if there would be ownership issues based on who pays. **Trustee Jaap:** Is the batting cage permanent or temporary? **Trustee Carelli:** It could be moved. **Trustee Jaap:** They would have to leave it permanently. **Trustee Shidler:** It adds to the park. **Trustee Carelli:** The soccer goals should be good for 8-10 years. And the Trustee spent his own money to zip tie the nets. **Trustee Carelli:** Asked Tracy Gordon if she knew about baseball batting cages.

## Carrollwood Recreation District Board Meeting Minutes

- **Tracy Gordon:** I would not be against it, because it's impossible to get my son in a batting cage when he comes home for the holidays. But keep in mind, usage would go up because batting cages are hard to find and people would show up to use it. **Trustee Snellgrove:** I found Tracy's comments about usage a negative (in regard to getting batting cages).
- **Trustee Carelli:** If we did it (install batting cages) we'd have to provide keys and stipulate that it is only for personal use.
- **Trustee Jaap:** We can't solve every problem before we put something in because we'll never get anything done.

**Kevin Shidler — White Sands Beach Chair:** He will fix the damaged grills.

- **Trustee Shidler:** The test results at the lake look great.
- **Trustee Snellgrove:** Got a quote from Just Grillin to repair the grill. \$1,585 to repair the grill. **Trustee Snellgrove** gave the estimate to **Trustee Shidler** and left it to his discretion.

**David O'Donnell — Scotty Cooper Park Chair**

- **Trustee O'Donnell:** The county began construction on the lift station at SCP. It will not be finished in time for Halloween. But they will block it off and will make sure there are no safety issues. There was very little hurricane damage at the park. By next meeting SCP will be close to done. We do need to pick a paint color for the work being done at SCP.
- **The Trustee** did a walk around at WSB and noted that there are branches leaning on the powerlines. **Trustee Jaap** said that we should call TECO. That would resolve the issue.

**Paul Siddall — Grounds Chair**

- **Vote to Award SCP Water Pump Replacement Contract:** There were three bids solicited and two companies that responded to replace the pumps at SCP.
- **Motion from Trustee Rasemont:** to award the contact to Tampa Well to replace the well pumps at SCP for \$4,800.00.
- **Seconded by Trustee Shidler**
- **Vote:** 8 in favor, 0 against

**Jessica Rasemont — Community Development**

- **Trustee Rasemont:** Will be putting together a column in the Caroler to keep the neighborhood advised on expenditures and ongoing projects.

**Other Business**

- **CCA Liaison:** No news, but the CCA will have the Halloween Parade.
- A resident on Phoenix wants trees cut. Trees on CRD property are encroaching on her property. Her name is Mrs. Johnston. **Trustee Jaap:** Doesn't think it is our

- **Trustee Costa:** reported that the Boys Scouts will again be selling luminaries and delivering them to residents.
- **Motion from Trustee Rasemont:** to adjourn.
- **Seconded by Trustee O'Donnell**

Mr. Maas,

Thank you for your interest in our firm to provide bookkeeping services for the CRD.

After reviewing the CRD's budget, I don't think that we could provide a competitive fee proposal for the CRD, and therefore, we will decline participation in that process.

With kind regards and best wishes in your search for a new bookkeeper.

Glenn Nakamura

## ACCOUNTANT'S COMPILATION REPORT

To the Board of Trustees  
Carrollwood Recreation District  
3515 McFarland Road  
Tampa, FL 33618-3921

Management is responsible for the accompanying financial statements of Carrollwood Recreation District (a governmental entity) which comprise the statement of assets, liabilities and fund balances - modified cash basis as of November 30, 2017 and the related statement of revenue and expenses - modified cash basis for the one month and two months then ended in accordance with the modified cash basis of accounting, and for determining that the modified cash basis of accounting is an acceptable financial reporting framework. I have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. I did not audit or review the financial statements nor was I required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, I do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all disclosures required in financial statements prepared in accordance with accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the users' conclusions about the organization's financial position, changes in net assets, and cash flows. Accordingly, these financial statements are not designed for those who are informed about such matters.

A statement of cash flows for the one month and two months ended November 30, 2017, has not been presented. Accounting principles generally accepted in the United States of America require that such a statement be presented when financial statements purport to present financial position and results of operation.

I am not independent with respect to Carrollwood Recreation District.
