- **Vote:** 6 in favor; 0 opposed

- **Trustee Shidler:** The guard service is down to Friday, Saturday and Sunday.

David O'Donnell — Scotty Cooper Park:

Paul Siddall — Recreation Center & Tennis

- **Trustee Siddall:** No Present.
- **Doug Hughes:** Came out to service the tennis court lights. The bullhorns that hold the two fixtures directly in the middle are mostly rusted through. The lights are so rusted that they cannot be removed from the bullhorns. He does not want to personally do the work, because it's too large a job. Mr. Hughes shared photos with the board. According to Mr. Hughes, the LED lights would be nearly 100% more money and they are not made to be up as high as the poles and therefore would not supply enough light to the tennis courts. **Trustee Price** suggested having a bracket fabricated to lower the lights and accommodate LEDs. **Trustee Shidler** said the Board should check with former board trustee Michael Carelli. The cost to replace all the lights is approximately \$16,000.00. LED lighting would cost approximately \$32,000. **Trustee Shidler** made the point that the savings of the LED light bulbs is not worth the exorbitant cost. Mr. Hughes said he would like to present an estimate to the board to do some of the work.

Trustee Price — Community Development:

- **Trustee Price** suggested that the board create a maintenance schedule for equipment in the neighborhood so that we could make projections.
 - **Trustee Price:** Said that Brixmor agreed to give the easement to Original Carrollwood for a cost of \$2,500, which was approximately the cost of their time and legal fees. They would handle this through their legal team. **Trustee Giunta** asked how we would approve the \$2,500. **Trustee Snellgrove** said we could simply make a motion.
-

ACCOUNTANT'S COMPILATION REPORT

To the Board of Trustees
Carrollwood Recreation District
3515 McFarland Road
Tampa, FL 33618-3921

Management is responsible for the accompanying financial statements of Carrollwood Recreation District (a governmental entity) which comprise the statement of assets, liabilities and fund balances - modified cash basis as of November 30, 2020 and the related statement of revenue and expenses - modified cash basis for the one month and two months then ended in accordance with the modified cash basis of accounting, and for determining that the modified cash basis of accounting is an acceptable financial reporting framework. I have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. I did not audit or review the financial statements nor was I required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, I do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all disclosures required in financial statements prepared in accordance with accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the organization's financial position, changes in net assets, and cash flows. Accordingly, these financial statements are not designed for those who are informed about such matters.

A statement of cash flows for the one month and two months ended November 30, 2020, has not been presented. Accounting principles generally accepted in the United States of America require that such a statement be presented when financial statements purport to present financial position and results of operation.

I am not independent with respect to Carrollwood Recreation District.
