### 4. Public Comment

- **Residents in attendance** Boy Scouts from Troop 217 were in attendance as part of earning their Citizenship in the Community merit badge.
- **Scout Cristo Costa:** Asked what the yearly budget of the CRD is and where the money comes from? **Trustee Maas** explained how the CRD collect receives association fees, and rent for certain facilities and how we spend money on neighborhood upkeep and improvements.
- **Scout Cristo Costa:** Asked how board members are elected. **Trustee Snellgrove** explained that we have to file with the Supervisor of Elections to run for public office just as other elected officials.
- **Michael Tolbert:** Asked if we have to account to Hillsborough County. **Trustee Snellgrove** explained that we are governed by the State of Florida. **Trustee Maas** added that we have an annual public audit of our finances and all records are public.
- **Scout Carlos Pasquotto:** Do you work with the governor? **Trustee Snellgrove** explained that we do not work directly with the Governor.
- **Scout Jeffrey Lubinski:** Do you have to dip into savings for problems that may arise, such as hurricane repair? **Trustee Maas** explained that we did not have to dip into savings, because we had funds available.

- **Scout Cristo Costa:** Asked how often Board Members are elected. **Trustee Snellgrove** explained, every two years.
- Scout Luke Wiezycki: Asked what rules we follow. Trustee Snellgrove held up the Board Handbook and explained that the handbook as well as the Government in the Sunshine laws guide our procedures.
- **Scout Gabrielle Sison:** Ask if being on the board costs money. **Trustee Snellgrove** explained that we must pay to run for office like all other candidates.
- **Scout Cristo Costa:** Asked how the two boards interact? **Trustee O'Donnell** explained that we don't interact often because we have different duties.
- **Scout Carlos Pasquotto:** Asked if we work with other counties or cities? **Trustee Giunta** explained that we don't.
- **Resident Chris Stenbill (sp):** Commented on kids getting too close to the water and the otters at Scotty Cooper Park. **Trustee O'Donnell,** explained that he would take a look at the fence and discuss it with the board.
- David Williams (Resident): There are plumbing, mostly stoppage issues, at SCP and White Sands Beach. Mr. William's suggest installing commercial toilets that have a jet flush and this would likely alleviate the problems at SCP. Trustee Snellgrove asked if he had an estimate. He did not but added that there were also calcium and lime deposits so the jets in the toilets were not working as well as they should be. The equipment and plumbing is also dated, that contributes to the problems. White Sands Beach has commercial style toilets however there is a volume issue. Mr. Williams said there was pressure but not enough volume. He proposes using ultrasonic detection to test the pressure in the lines under the parking lot. This will help determine where the problem is. Trustee Shidler commented that if you flush three times quickly, the toilet will flush. In testing the toilet with varying levels of water, Mr. Williams said there was no change. The triple flushing just keeps the valve open. That's why it seems to go down. The Trustee questioned why three flushes worked but one wouldn't. Trustee Shidler also said that measuring volume should be easy. Mr. Williams repeated that there is pressure, just not enough volume. He suggested opening the pipe across the parking lot to see if there is pressure and volume. If there is, then the problem is under the parking lot.
- Public Comment Closed 7:04 p.m

All tests are performed in accordance with NELAC standards. Qualifier codes: (U) = not detected; (B) = results based on colony counts outside the acceptable range; (Z) = TNTC at highest dilution performed; (Q) = sample holding time exceeded.

For enforcement samples, EPA recommends a maximum of 6 hours time lapse from sample collection to analysis of samples in the lab. Samples must be scheduled with the lab in advance to arrive by 3:30PM to allow sufficient time for analysis. Lab procedures conform to EPA recommendations. Results of samples not received within this time frame may not be reliable.

#### ACCOUNTANT'S COMPILATION REPORT

To the Board of Trustees Carrollwood Recreation District 3515 McFarland Road Tampa, FL 33618-3921

Management is responsible for the accompanying financial statements of Carrollwood Recreation District (a governmental entity) which comprise the statement of assets, liabilities and fund balances - modified cash basis as of April 30, 2018 and the related statement of revenue and expenses - modified cash basis for the one month and seven months then ended in accordance with the modified cash basis of accounting, and for determining that the modified cash basis of accounting is an acceptable financial reporting framework. I have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. I did not audit or review the financial statements nor was I required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, I do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all disclosures required in financial statements prepared in accordance with accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the organization's financial position, changes in net assets, and cash flows. Accordingly, these financial statements are not designed for those who are informed about such matters.

A statement of cash flows for the one month and seven months ended April 30, 2018, has not been presented. Accounting principles generally accepted in the United States of America require that such a statement be presented when financial statements purport to present financial position and results of operation.

I am not independent with respect to Carrollwood Recreation District.

Edwin A. Pinzon, C.P.A.
